As a Retail Assistant at ALDI, you will have a lot of variety in every shift. Whether you're filling shelves or scanning items for customers, you'll be trained to handle multiple roles throughout the store. Don't worry, previous retail experience is not necessary. But we are looking for people to join our teams who have a positive attitude, a hardworking spirit and the willingness to learn!

Our stores are open every day of the week (including weekends and public holidays). Shifts can start as early as 6am and finish as late as 10pm, and it's important that you are able to get to and from work safely, so you do need access to reliable transport.

#### What's in it for you?

- Competitive hourly rate of \$26.42\* + penalties
